SUPPLEMENT TO PETITION TO MAKE SPECIAL

Dear Sir:

This is submitted as a supplement to the Petition to Make Special, originally filed on February 5, 2004 (attached). In a telephone conference with Examiner D. Faulk on August 9, 2004, the undersigned learned that the Petition to Make Special has not yet been connected with the case, although the \$130.00 fee under C.F.R. § 1.17(h) has already been paid by check, which check has been cashed by the Patent Office.

Pursuant to the provisions of 37 C.F.R. §1.102(d) and M.P.E.P. §708.02 VIII, Applicants hereby supplement the petition as follows:

Applicants submit that a pre-examination search of the prior art was made, by searching: (i) international class 7 by the European Patent Office; and (ii) U.S. Class 381, Subclasses 1, 17, 18, 61 and 98 by the U.S. ISA.

I hereby certify that this correspondence is being sent via facsimile to: 703-872-9306, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on the date shown below.
